The Jazz Loft Offering Unique Internships for Students in Areas of Public Relations, Stage Production and Archiving

Stony Brook, NY-The Jazz Loft, 275 Christian Avenue in Stony Brook, is offering Stony Brook University students three unique opportunities for an internship in a variety of areas. A passion for music and American history a big plus for all the positions! Interested students can apply at Handshake. Direct links to job applications are below.

“These internship opportunities will provide students with a real hands-on opportunity to learn from professionals and to have a chance to put their skills to work,” said Jazz Loft Founder Tom Manuel. “I know that The Jazz Loft will benefit as well from what the students can bring to the table.”

The internships, for credit, include:

Digital Archivist-This position would involve developing an archival program to record and digitize the more than 10,000 historical jazz artifacts in the possession of the museum. will have the artistic freedom and unique opportunity to use your computer science skills and creativity to design a program that will record and preserve a wide range of historical items procured by the Jazz Loft.

Public Relations/Marketing-This position offers an exceptional and exciting internship opportunity for someone interested in honing their public relations, social media, marketing and press relations skills. Work with a mentor in developing social media posts, press releases, contact lists, marketing strategies, and brainstorming new and creative ways to promote the

events at the Jazz Loft.
