## **The Jazz Loft Presents Four Knockout ‘Acoustic in the Main Room’ Knockout Performances in February 2024**

*Stony Brook, NY*—Don’t like big crowds? Then the Jazz Loft’s *Acoustic in the Main Room* series is your ticket to paradise. This jazz music series showcases incredible talent in the Jazz Loft’s main performance room which will be set up to resemble an intimate living room, with spaced out seating. The concerts are conversational, engaging, and intimate and a very special window into the heart and mind of the artists.

Each concert will have a different theme and be paired with wines to complement the music!

“Our Acoustic in the Living Room series is a unique opportunity to hear some of the most talented singers and musicians that perform regularly at the Loft in a relaxed setting, reminiscent of the New York City Loft scene of the 1950’s which inspired the Jazz Loft’s name,” said Jazz Loft founder Tom Manuel. “If you don’t know any Jazz performers personally to invite into your own living room, then this is the next best thing.”

Tickets will be limited to just 85 people and start at 7 p.m., and feature two sets with a brief intermission.

Tickets for all performances are \$40 and start at 7 p.m. and can be purchased at <https://www.thejazzloft.org>.

The Jazz Loft, 275 Christian Avenue in Stony Brook, is located just 90 minutes from New York City and is the only music venue on Long Island that features exclusively jazz music.
